There is one simple application to fill out. In most cases, no proof of income is required to apply and the application only takes a few minutes to complete online. If you've received energy assistance in the past, it's likely you qualify.

Both Bill Discount Rate and HELP provide significant discounts to customers who qualify, based on their household size and income. A single application takes two minutes to complete. No additional documentation is required. To complete your HELP application, contact your local county agency, whose contact information is found on the back.
